## Giving your opinions in longer sentences

So far, you can give short opinions in French, **for example**: 'La poupée, j'adore ça!'

Now it's time to build up longer sentences using the connecting words **et** (and) and **mais** (but).

**For example**: Le tracteur, j'aime ça **et** les livres, j'adore ça - Tractors, I like that **and** books, I love that.

Le vélo, je n'aime pas ça, **mais** le skate, j'aime ça - Cycling, I don't like that, **but** skateboarding, I like that.

Write 10 sentences in French giving you opinions about any of the toys from the last 2 lessons, making sure you use either **et** or **mais** to make them into longer sentences.
