

Eco Warrior Logo Challenge.

As a school we aim to encourage everyone to think about their environment and be aware of how they can help take care of it. Hopefully you will be aware of the phrase 'Reduce, Reuse, Recycle'.

The Whole School approach to V.E day was such a success we have decided to have another one. The **week beginning 29th June** will be

Eco Warrior Week

In preparation for our Eco week, we will have a few activities and tasks to start thinking about in next week's planning and then activities that you can do as a family during Eco Warrior week.

Your first task is to design an **Eco Warrior logo** for our school.

How many of these Logos do you recognise?

Design your Eco Warrior school logo and send

it in as a photo or PDF to pupils@hatherleigh-pri.evon.sch.uk

by Friday 3rd July. Be creative and think about how you can make your logo stand out.
