I can plan my version of the Egyptian Cinderella

	How is your MC feeling at this point in the story?	Key words and pictures
<p>Introduction: MC is a slave in Ancient Egypt How does she get there? Where does she live? Who's her master?</p>		
<p>Build up: Who treats her badly? What animal do they befriend? What garment do they get given and by who?</p>		
<p>Problem: What animal steals the garment? Whose party do they not get invited to?</p>		
<p>Resolution: Who finds the stolen garment? How do they find the MC to give it back to them?</p>		
<p>Ending: What happens to the MC at the end, do they get married or do they leave Egypt or something else?</p>
