

Hatherleigh Community Primary School

Home learning Week beginning: 11th January 2021

Live guided reading sessions will be on google meet this week. All sessions will run from 9:30 - 10:00. They start on Tuesday.

I will email times and instructions individually to parents. There will be a practice google meet session at 9:30 on Monday morning to make sure that everyone can login successfully. Click the meet link on the google classroom page, it looks like this:

Activities with * are easiest, *** are hardest. I will continue to upload some items onto google classroom, **green highlighted items are assignments on google classroom. This means that they can be completed online and returned to you with feedback. You will still earn dojo points!**

Some of the English resources will only be uploaded the day before they are needed, as they follow a sequence and need to be completed in order.

As the system I used for maths didn't work well last week, only the warmup activities for maths are on google classroom. Everything else is on the school website.

Year 6	English	Maths	Science & the wider curriculum
--------	---------	-------	--------------------------------

<p>Monday</p>	<p>Reading Group 2/3/4 Independent reading. Group 1 guided reading preparation for tomorrow's live session. The resource for this is in guided reading on google classroom and is only available to the group who need it. The link is here: https://drive.google.com/open?id=1733WWvjlb9Oy2ICggCg5KnMfZiPE3ysP&authuser=0</p> <p>Writing You will need to have read chapters 3 and 4 of Varjak Paw. Recordings are on google classroom, but are not available to everyone! *What do you think "The Way of Jalal is"? Explain why you think this and how you think that Varjak will use "The Way" ** / *** Re-write the fight between Varjak and Julius in the first person, imagining that you are Julius. What did you think when your little brother challenged you? How did you defeat him?</p> <hr/> <p>Spelling: This week we are looking at ible/able suffixes. * Monday Spelling worksheet. Read it and write the words using look/cover/write/check. ** / *** Monday Spelling worksheet. Read it and write some other words ending in ible/able using the rule.</p>	<p>Warmup for all: Flashback 4 Jamboard on google classroom. Answers on a post-it with your name, please!</p> <p>Multiply decimals by integers. Video link is at: https://vimeo.com/490690764</p> <p>Please do as much of the work as you can.</p> <p>* Questions 1-4 ** Questions 3-6 *** Questions 5-8</p>	<p>French:</p> <p>This term we are learning all about school in French. I've started you off this week by challenging you to work out the French words for school subjects:</p> <ul style="list-style-type: none"> · Look at the Les Matières Vocab sheet and use the pictures and your English to help you work out what each of the subjects mean in English. If you have access to a French/English dictionary then use it to help you but only when you get really stuck! · Fill in the Blank Timetable sheet with the names of subjects in French. You can base it on your own normal week at school or make it up! <p>Also as an assignment on google classroom where you can fill in the document online.</p> <p>Mme. Wilkinson</p>

	English	Maths	Science & the wider curriculum
Tuesday	<p>Reading Group 3/4 Independent reading. Group 1 live guided reading. Group 2 guided reading preparation for tomorrow's live session. This resource is only available to the group who need it. The link is here: https://drive.google.com/open?id=1xdm43hUgsoiEdgFxx8LsC2nDZD723qSK&authuser=0</p> <p>Writing. You will need to have read Chapter five of Varjak Paw before you do this work. A recording is available on google classroom, but not for everyone. * Look at the section where Varjak climbs the garden wall. Story map it and learn it off by heart, so that you could perform it without looking at the text. Perhaps you could record yourself performing it! ** / *** Look at the section where Varjak climbs the garden wall. Use the document "Tuesday Writing". Try to match up the text extracts with the job that they do. You can write your answers like this: 1:b (Which is the correct answer, by the way!)</p> <hr/> <p>Spelling * Tuesday Spelling Easier</p>	<p>Warmup for all: Flashback 4 Jamboard on google classroom. Answers on a post-it with your name, please!</p> <p>Divide decimals by integers. Video link is at: https://vimeo.com/490691239</p> <p>Please do as much of the work as you can.</p> <p>* Questions 1-4 ** Questions 3-6 *** Questions 5-8</p>	<p>History</p> <p>To start our topic on WW2, have a look at the document "WW1 or WW2?"</p> <p>To find out what you already know about world war 2, try to say whether these events occurred during WW1 or during WW2. (Careful; some are both!)</p> <p>You can do this as an assignment on google classroom or print it and put it on dojo.</p>

Wednesday	<p>Reading Group 1/4 Independent reading. Group 2 live guided reading. Group 3 guided reading preparation for tomorrow's live session. This resource is only available to the group who need it. The link is here: https://drive.google.com/open?id=1stGEY73_ozEISkE0_eTohz8M2PYUcdQm&authuser=0</p> <hr/> <p>Spelling / Writing Consolidation task, use the worksheet Wednesday Spelling. Write a short biography, including the ible/able words we have been learning. *** Try to include some ible/able words of your own.</p>	<p>Warmup for all: Flashback 4 Jamboard on google classroom. Answers on a post-it with your name, please!</p> <p>Use division of decimals to solve problems Video link is at: https://vimeo.com/490691954</p> <p>Please do as much of the work as you can.</p> <p>* Questions 1-4 ** Questions 5-8 *** Questions 6-9</p> <p>Extras: TTRS or prodigy</p>	<p>Science</p> <p>This week, we will be thinking about circuits and circuit diagrams. Start by looking at the powerpoint or the PDF document called "Circuits and symbols"; they both contain the same information. Then have a go at drawing some circuit diagrams to match the drawings. Use the document "Science Worksheet."</p> <p>The "Circuit symbols mat" document will help if you are stuck.</p>
	English	Maths	Science & the wider curriculum
Thursday	<p>Reading Group 1/2 Independent reading. Group 3 live guided reading. Group 4 guided reading preparation for tomorrow's live session. This resource is only available to the group who need it. The link is here:</p>	<p>Warmup for all: Flashback 4 Jamboard on google classroom. Answers on a post-it with your name, please!</p> <p>Divide decimals by integers. Video link is at: https://vimeo.com/490691239</p> <p>Decimals as fractions</p>	<p>Creative Thursday!</p> <p>Options: 1.If you have access to watercolours, try following the steps in this video from a primary school art teacher, putting some of the techniques we looked at last week into practice:</p>

	<p>https://drive.google.com/open?id=1CmUEmHwasjO7wUrafvrWaWiGSBtZAmrf&authuser=0</p> <p>Writing</p> <p>You will need to have read Chapter six of Varjak Paw before you do this work. A recording is available on google classroom, but not for everyone.</p> <p>*Find and copy some verbs that have been chosen for their effect on the reader (for example lurched). Write what they mean in your own words.</p> <p>**/** Summarise the chapter in your own words. No less than three sentences, no more than five.</p> <hr/>	<p>Video link is at: https://vimeo.com/490693175</p> <p>Please do as much of the work as you can.</p> <p>* Questions 1-4 ** Questions 2-5 *** Questions 3-6</p> <p>Extras: TTRS or prodigy</p>	<p>https://www.youtube.com/watch?v=WuY8mSdqanU&feature=emb_logo</p> <p>2.Use https://kleki.com/ to draw a picture using a computer, table or phone. A tablet or phone will probably be easier as you will be able to draw with a finger instead of a mouse. Try to learn about how to use layers. There's a good guide here:</p> <p>https://www.youtube.com/watch?v=dwMfeMSecGY</p> <p>3.Try making some origami. I have attached instructions for the barking dog (sadly it doesn't actually make a sound, it just moves!) and a guide to how to do some of the folds.</p>
	English	Maths	Science & the wider curriculum
Friday	<p>Reading</p> <p>Reading</p> <p>Group 1/2/3 Independent reading. Group 4 live guided reading.</p> <p>Writing</p> <p>You will need to have read Chapters seven and eight of Varjak Paw before you do this work. A recording is available on google classroom, but not for everyone.</p>	<p>Warmup for all: Flashback 4 Jamboard on google classroom. Answers on a post-it with your name, please!</p> <p>Convert fractions to decimals</p> <p>Video link is at: https://vimeo.com/491237616</p> <p>Please do as much of the work as you can.</p> <p>* Questions 1-4 ** Questions 3-6</p>	<p>PE challenge:</p> <p>As last week. Set up the same circuit of activities and see whether you can beat your last record!</p> <p>Your activities might be:</p> <p>Running on the spot (high knees) Star jumps Burpees Sit-ups Russian twists</p>

	<p>*/**/** Go to the Varjak Paw Jamboard and add at least one more like/dislike/puzzle/pattern on a post-it note. Remember to include your name!</p> <hr/> <p>Spelling Get someone to test you on the ible/able words that you have been learning this week (focus words from Monday)</p>	<p>*** Questions 4-7</p>	<p>The plank / side plank Squats</p>
