School Subjects (Les Matières) Instructions

This term we are learning all about school in French.

I've started you off this week by challenging you to work out the French words for school subjects:

- Look at the **Les Matières Vocab** sheet and use the pictures and your English to help you work out what each of the subjects mean in English. If you have access to a French/English dictionary then use it to help you but only when you get really stuck!
- Fill in the **Blank Timetable** sheet with the names of subjects in French. You can base it on your own normal week at school or make it up!

Remember: lundi – Monday
mardi – Tuesday
mercredi – Wednesday
jeudi – Thursday
vendredi – Friday

Also: **LA PAUSE** – breaktime and **LA RECREATION** - lunchtime

Hopefully you'll find this quite straightforward but don't worry if you get stuck with some of the words. Send me a message on the dojo and I will help.
