

A new adventure for Varjak Paw - planning sheet. */**

Setting:

Will this happen in one of the city streets, in another urban setting (a carpark, a town square, an underpass, a railway station or somewhere else that you can think of). Hopefully, you will build a model of this setting this afternoon.

My Idea:

Challenge:

Varjak needs to come up against something difficult that is a problem to him. He might confuse another thing in the city for a dog, or perhaps he actually meets a dog for real and doesn't recognise it. Perhaps he has a confrontation with another cat.

My Idea:

Other characters:

Will Holly or Tam be involved at all? Remember that Holly is a smart, strong fierce cat and Tam is a gentle, soft character. Although they can speak to each other, they still behave like cats, not like people.

My Idea:
