## RE VOCABULARY PROGRESSION

This document shows the progression of key vocabulary that the children should understand and use throughout each topic. Vocabulary is not exclusive to each year group so it is not repeated on the grid in subsequent year groups for the same topic. For example, a year 2 child studying Christianity will use the vocabulary listed in the year 2 column as well as that in the year 1 and EYFS column. Likewise, a year 6 child learning about Hinduism will use the year 4 vocabulary as well as the year 6 vocabulary. The vocabulary included here can also be found on the relevant Knowledge Organiser for each unit.
