

# Year 1

P l a c e v a l u e	Read and write numbers 1-20 in words and numerals.	
	Represent numbers with a range of objects and pictures	
A r i t h m e t i c	Count in 2s 5s and 10s	
	Know number bonds to and within 20.	
	Add and subtract numbers to and within 10.	
	Read and write mathematical statements using + and -	
	Solve addition and subtraction problems using objects or pictures.	
	Solve simple multiplication problems, by calculating the answer using concrete objects, pictorial representations and arrays with the support of the teacher.	
	Solve simple division problems, by calculating the answer using concrete objects. Pictorial representations and arrays with the support of the teacher.	
G e o m e t r y	Recognise and name common 2D and 3D shapes.	
	Recognise and name common 2D and 3D shapes. Begin to describe the properties.	
	Describe position, direction and movement. Describe whole, half, quarter and three-quarter turns.	
M e a s u r e	Recognise and know the value of money	
	Make and begin to record measurements.	
	Sequence events during the day/week (Before, after, next)	
	Use the language of dates. (today, tomorrow, week, month etc)	
	Tell/show the time to the hour and half hour.	
	Compare, describe, measure, begin to record and solve practical problems involving lengths, masses, capacity and time.	
F r a c t i o n s	Recognise find and name a half and a quarter of an object, shape or quantity.	
	Represent half and a quarter using different objects and pictures
