

Good morning and Happy New Year.

Teachers will be setting you remote learning from tomorrow so today we have a couple of whole school challenges for you. Have a go at these and upload your work on to your Dojo page. Your login details are the same as the Summer term.

Number Hunt.

Numbers are everywhere. Have a look around your home and see where you can find different numbers. What is the biggest number you can find? Can you find numbers in unusual places? Say the numbers to an adult when you have found them. You could upload a photo of the biggest number that you find and the number in the strangest place.

Decorate 2021

We are at the beginning of a new year. Use the page attached or write 2021 on a piece of paper or on the computer and decorate. Can you make it a bright and colourful 2021 banner or add images of things you hope to do in 2021? Upload to Dojo and send a photo of your design to pupils@hatherleigh-pri.devon.sch.uk and we will start a 2021 collage of photographs.

New Year Resolutions.

We know we won't be in school but learning will continue so have a think about what you want to get better at this term. Set 3 targets, these can be typed directly to Dojo or write down and send as a picture. Make 2 for school work and one for home. (e.g. Keep my bedroom tidy, help set the table for dinner, read 4 times a week, write my capital letters correctly, learn my ___ times table).
