/* Friday 5th February

Learning Objective - I can write some capital letters.
I can write some of my letters correctly, starting and finishing in the right place.(pre-cursive)

Dear children,

I followed my dream and I made it to space! I want to help others who dream of space travel to have this amazing experience and for those who don't want to go to space, I want to give them information about the wonders that I have seen.
So I'm going to write a Space Travel Fact file.

Yours sincerely,
Astrid
