

Monday 18th January

Dear Diary,

I woke up this morning and looked out of my window and it was still dark outside. I got dressed quickly as it felt a little chilly and went downstairs to have my breakfast.

Then I packed my lunch and got ready to go to Hatherleigh School. It was lovely and quiet driving on the roads and as I arrived at school I met Miss Tucker. We walked into school and started to prepare the classroom ready for the children to arrive shortly.

Next, we collected the children from the playground and heard all about what they had been doing over the weekend. We walked into school, washed our hands and then settled into class to begin our learning, starting with phonics.

Finally, it was time for break and we could go outside and play lots of fun games together in the Chestnuts play area. It was so much fun as I watched children playing with the hoppers, building with the tyres and I played catch with some of Hawthorns class. Wow what a busy start to the week.
