

### When I was three.

I come up to  
My brother's knee  
But that's because  
I'm only three!

But when I'm four  
I will be able  
To see what's on  
The kitchen table!

And when I'm five  
I know that I  
Will be so big  
I'll reach the sky.

### A little worm.

Today I saw a little worm  
Wriggling on his belly.  
Perhaps he'd like to come inside  
And see what's on the telly!

### My Den

With a cardboard crate  
And an empty sack,  
A broken buggy  
And a plastic mac

Down in my garden  
Under the tree,  
I've built a home  
And it's just for me!

### Wellies.

Blue wellies, yellow wellies  
Green wellies, red.  
You wear your wellies in puddles -  
I wear mine in bed!
