TALK ABOUT

With those around you, **think of some more challenges to put into the song**, for example, sing the next chorus in an Australian accent, sing a chorus whilst keeping a balloon in the air (no hands allowed), or perform the whole song **with** actions but **without** laughing.

DID YOU KNOW?

There is special day to celebrate laughter! **Belly Laugh Day** is celebrated on 24th January every year!

“THERE IS
NOTHING IN
THE WORLD SO
IRRISISTIBLY
CONTAGIOUS
AS LAUGHTER.”
