

Hatherleigh Community Primary School

Home learning Week beginning 25th January 2021

Hello Oaks,

This week I would like to do a Live Google Meet science lesson with you all. There will be two different times which you can choose from, please only come to one of them! They will both be on Wednesday at 9.30am and the other at 1pm. I will be sharing my screen to a number of different links, so ideally you will need to watch on a laptop or tablet. If you have any issues with this please let me know.

I will open the meeting 5 minutes before, so all you need to do is click the Meet Link on our Google Classroom.
